(1) When disposal site gate fees are adjusted by COUNTY, residential refuse collection rates shall be adjusted by multiplying the amount of the per ton gate fee increase (\$0.86) by 0.12 and rounded to the nearest one cent, to arrive at the amount of the residential rate increase allowed per month per 35 gallon Basic container service, and proportionately for larger sized containers.

(2) Construction Cost Index adjustment is applied to the current collection rate less the gate fee increase for 2012.

\* A Senior discount of 20% may be applied to the 35 gallon service level.

\*\* A Low Income or Low Volume discount of 30% may be applied to the 35 gallon service level.
