

Insurance Requirements.

A. Consultant shall, at its own cost and expense, procure and maintain, for the duration of this Agreement, the following insurance policies:

- (1) Workers' Compensation Coverage. Consultant shall maintain Workers' Compensation Insurance and Employer's Liability Insurance for its employees in accordance with the laws of the State of California. In addition, Consultant shall require each subcontractor to similarly maintain Workers' Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees. Any notice of cancellation or non-renewal of Workers' Compensation policies must be received by City at least 30 days prior to such change. The insurer shall agree to waive all rights of subrogation against City, its officers, agents, employees and volunteers for losses arising from work performed by Consultant for City.
- (2) General Liability Coverage. Consultant shall maintain commercial general liability insurance in an amount not less than two million dollars (\$2,000,000) per occurrence for bodily injury, personal injury and property damage. If a commercial general liability insurance form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least five million dollars (\$5,000,000).
- (1) Automobile Liability Coverage. Consultant shall maintain automobile liability insurance covering bodily injury and property damage for all activities of Consultant arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000) combined single limit for each occurrence.
- (2) Professional Liability Coverage. Consultant shall maintain professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors, or omissions that may arise from Consultant's operations under this Agreement, whether such operations be by Consultant or by its employees, subcontractors, or subconsultants. The amount of this insurance shall not be less than one million dollars (\$1,000,000) on a claims-made annual aggregate basis, or a combined single limit per occurrence basis.

B. Endorsements. Each general liability and automobile liability insurance policy shall be with insurers possessing an A.M. Best's rating of no less than A:VII and shall be endorsed with language substantially as follows:

- (1) The City, its elected and appointed officers, officials, employees, agents and volunteers are to be covered as additional insureds with respect to liability arising out of work performed by or on behalf of the Consultant, including materials, parts, or equipment furnished in connection with such work.
- (2) The policy shall be considered primary insurance as respects the City, its elected and appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have, shall be considered excess insurance only and shall not contribute with it.
- (3) The insurance shall apply to each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.
- (4) The insurer waives all rights of subrogation against the City, its elected and appointed officers, officials, employees, and agents.
- (3) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected and appointed officers, officials, employees, agents, or volunteers.
- (4) The insurance provided by the policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after 30 days written notice has been received by the City.

C. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. At the City's option, Consultant shall demonstrate financial capability for payment of those deductibles or self-insured retentions.

D. Certificates of Insurance. Consultant shall provide to City certificates of insurance with original endorsements as evidence of the required insurance coverage. Certificates of insurance shall be filed with the City on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the City at all times during the term of this Agreement.
