Mr. Meissner;

Please allow this letter to memorialize my conversation with the Fire Marshal Latnz Rey regarding mitigation measure Hazard 1 from the Oleander Estates MMRP. As discussed with Lantz, I am sending this letter to confirm that DR Horton and/or its subcontractors will not store any hazardous materials on the project site (Oleander Estates, Unit 2, Tract 3522). This written confirmation should satisfy mitigation measure Hazard 1. Should you have any questions regarding this letter, please contact me at (925) 225-7426.

Very Respectfully,
