**RE: ABF SITE PLAN APPLICATION
ABF FREIGHT SYSTEMS
2427 W YOSEMITE AVENUE
MANTECA, CA 95337**

To Whom It May Concern:

ABF Freight is submitting for review with the City of Manteca, a Site Plan application that shall meet all City of Manteca Standards. The proposed project seeks to provide new employee parking in front of the existing ABF Freight facility located at 2427 W. Yosemite Ave. Additionally, the project is seeking to expand to the undeveloped area of the property, to house trailer parking. The trailer parking seeks to hold a minimum of 100 trailers, and would vastly improve the traffic flow and organization of the site. Furthermore, these improvements will also incorporate accessibility to the existing building. No additions will be made to the existing building.

Please contact us if you have any questions.

Sincerely,
