SUBJECT: Wayfinding Signs for the City of Manteca

The City of Manteca is planning to install a series of "wayfinding" signs to help guide visitors and residents to destinations around the city. A draft Wayfinding Sign Program was presented to the Planning Commission for preliminary review on September 21, 2010, including sign design and a plan for placement of the proposed signs.

City staff are committed to involving the community in the Wayfinding Sign Program, and we are seeking additional feedback from the public. Your organization is one of the many non-profit and service clubs in Manteca we are contacting in order to solicit comments about this new sign program.

Attached are two sample wayfinding signs; a description of the proposed content for each sign; and a map showing proposed sign locations. Please review and circulate this information to your membership as you wish, and send written comments to us by **Friday December 15, 2010** to the following address:

Don Smail, Economic Development Manager
Community Development Department
1001 W. Center St.
Manteca, CA 95337

If you would like city staff to meet with you or make a brief presentation to your organization about the City of Manteca Wayfinding Sign Program, please contact Mandy Kang at (209) 456-8518 or mkang@ci.manteca.ca.us; or Rick Caguiat at (209) 456-8515 or rcaquiatt@ci.manteca.ca.us.

City staff will review all comments and feedback received by the initial deadline. Once the initial review is complete, we will be installing a few sample wayfinding signs on a trial basis and will solicit additional public input. We will contact your organization again at that time with sign location information, offering your members an opportunity to view the signs and provide additional comments prior to final production and installation.

If you have any questions or need additional information, please contact Mandy Kang or Rick Caguiat as indicated above.

Sincerely,

Don Smail

Once the initial review is complete, we will be installing a few sample wayfinding signs on a trial basis and will solicit additional public input. We will contact your organization again at that time with sign location information, offering your members an opportunity to view the signs and provide additional comments prior to final production and installation.

If you have any questions or need additional information, please contact Mandy Kang or Rick Caguiat as indicated above.

Sincerely,

Don Smail

SUBJECT: Wayfinding Signs for the City of Manteca

The City of Manteca is planning to install a series of "wayfinding" signs to help guide visitors and residents to destinations around the city. A draft Wayfinding Sign Program was presented to the Planning Commission for preliminary review on September 21, 2010, including sign design and a plan for placement of the proposed signs.

City staff are committed to involving the community in the Wayfinding Sign Program, and we are seeking additional feedback from the public. Your organization is one of the many non-profit and service clubs in Manteca we are contacting in order to solicit comments about this new sign program.

Attached are two sample wayfinding signs; a description of the proposed content for each sign; and a map showing proposed sign locations. Please review and circulate this information to your membership as you wish, and send written comments to us by **Friday December 15, 2010** to the following address:

Don Smail, Economic Development Manager
Community Development Department
1001 W. Center St.
Manteca, CA 95337

If you would like city staff to meet with you or make a brief presentation to your organization about the City of Manteca Wayfinding Sign Program, please contact Mandy Kang at (209) 456-8518 or mkang@ci.manteca.ca.us; or Rick Caguiat at (209) 456-8515 or rcaguiat@ci.manteca.ca.us.

City staff will review all comments and feedback received by the initial deadline. Once the initial review is complete, we will be installing a few sample wayfinding signs on a trial basis and will solicit additional public input. We will contact your organization again at that time with sign location information, offering your members an opportunity to view the signs and provide additional comments prior to final production and installation.

If you have any questions or need additional information, please contact Mandy Kang or Rick Caguiat as indicated above.
