RE: Temporary Use Permit Narrative – Christmas Tree Lot
Save Mart #12
1431 W. Yosemite
Manteca, CA 95336

RECEIVED
OCT 16 2018
COMMUNITY DEVELOPMENT
DEPARTMENT

Dear Sir,

The following is our narrative for the Temporary Use Permit for which The Save Mart Companies has applied.

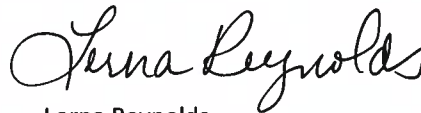

The Save Mart Companies, DBA Save Mart #12, is applying for a Temporary Use Permit to have a Christmas Tree Lot in the parking lot in front of the store. The Christmas tree lot will be in operation from November 23, 2018 to December 24, 2018. We have ordered 700 trees to sell to our customers at this location over this 5 week period.

The Christmas Tree Lot will have a temporary chain link fence surrounding 8 parking spaces approximately 30' X 30'. There will be a banner on the fence which will be attached with twist ties. The Christmas Tree Lot will only be open during store hours, which are 6am to 12 midnight. We will have no other lighting. There won't be a generator for the lot, nor will there be any water supplied to the lot area. There will be no power tools used in this operation, only hand tools if necessary to secure the tree to the stand as requested by the customer.

There will be no cash register in the lot area. The customer will purchase the tree inside the store and then an employee will help the customer pick a tree. Our employee may help the customer take the tree to the vehicle, but will not assist in the securing of the tree to the vehicle.

The fence will be locked at night. There will be no additional security agents for the Christmas trees. We do not expect this to pose a traffic concern in the area nor do we anticipate the Christmas Tree Lot will result in parking issues.

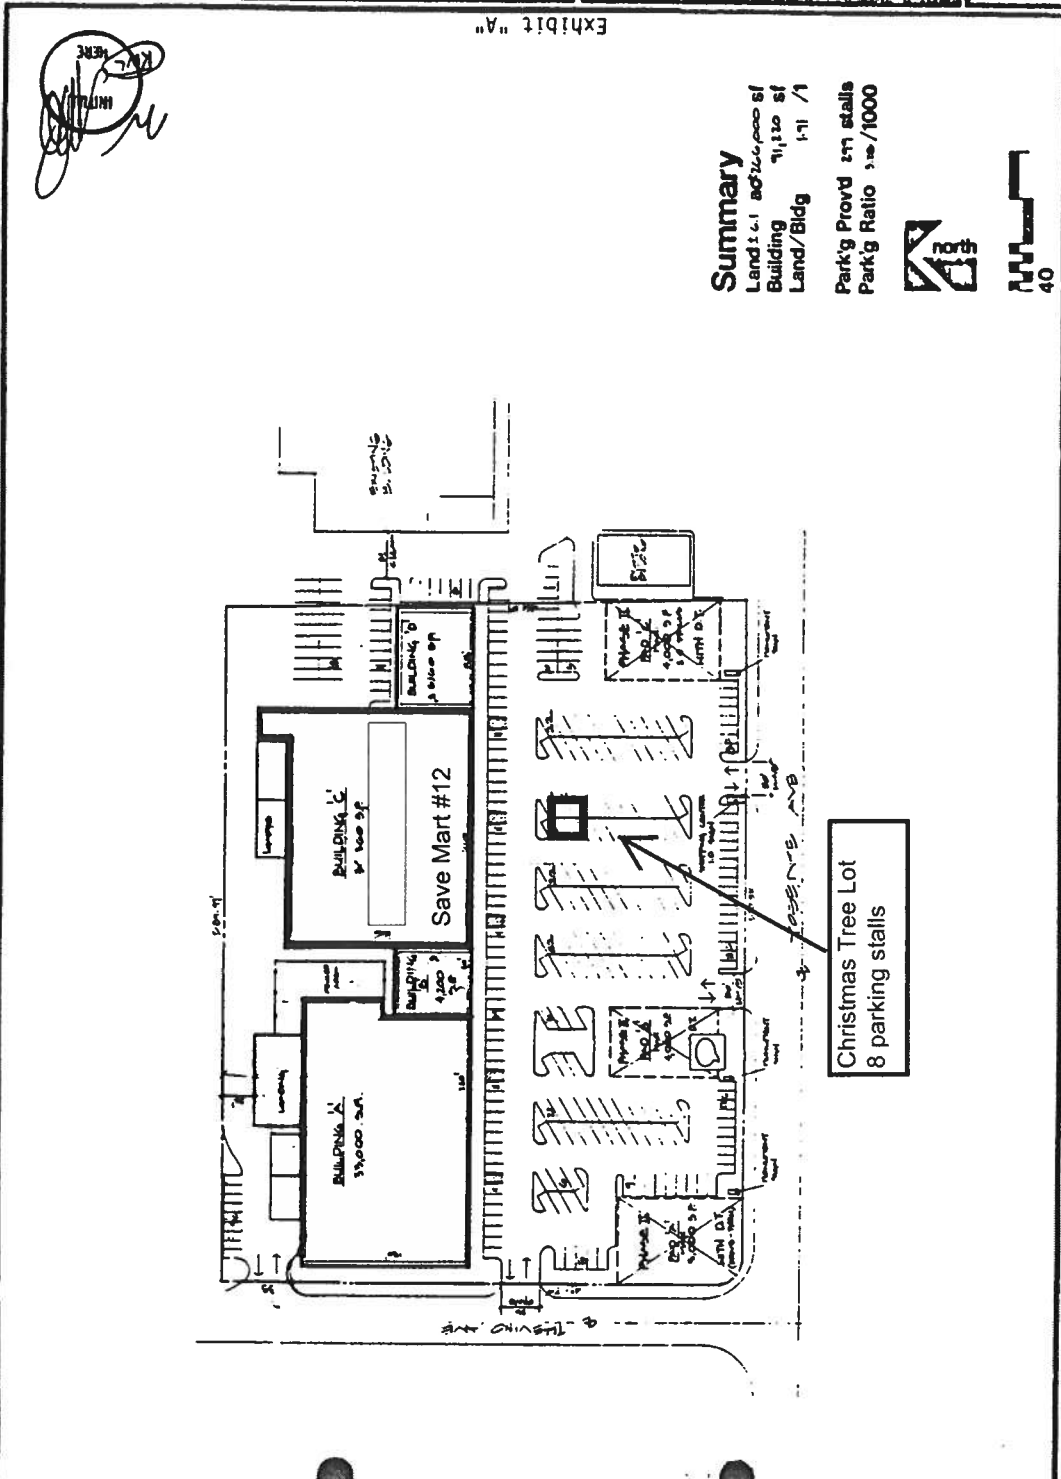

Sincerely,

Lorna Reynolds
Director of Accounting
